A 4x5 grid of 20 rounded squares, each containing a downward-pointing triangle. The grid is arranged in four rows and five columns. The first row has 5 squares, the second row has 5 squares, the third row has 5 squares, and the fourth row has 5 squares. Each square is light gray with a thin black border and contains a black downward-pointing triangle in the center.

Combos:

A diagram showing a 4x10 grid of cells. The top-left cell is a blue rounded square labeled "GRAVE". The grid contains several light blue rounded squares. Two cells in the second row, second and third columns, are highlighted in red. The grid is partially filled, with some cells missing or empty.
